USAF Declass/Release Instructions On File

26 July 1956

SUBJECT: (SECRET) Talent Control System

TO: Director of Intelligence
Headquarters USAF
Washington 25, D C
ATTN: Major Jack Labors SPO

1. In compliance with your request, following is a brief outline of the methodology to be employed by this Command in establishing the Talent Control System, to include our immediate requirement for clearance authorization.

2. Structure:

a. The Talent Control System will be operated within the Strategic Air Command by the Talent Control Officer under the immediate supervision of the Director of Intelligence. The Director of Intelligence, as the Senior Intelligence Officer of this Command, will be responsible for the security and proper safeguarding of Talent materials received by this headquarters.

b. A Talent Control Officer and assistant, as well as a Talent Security Officer and assistant, have been appointed to perform duties as prescribed by the Talent Control System manual.

3. Control Standards for Talent Classified Material:

a. Procedures for the receipt, control, dissemination and destruction of Talent Control System material will be established in compliance with the basic directive. The Document Control Room utilized for the receipt and review of Talent materials is located within the confines of the restricted area currently provided for the Special Security Office.

4. Special Talent Control Standards for Personnel:

a. Personnel having a must-know requirement for Talent materials will be authorized for clearance on an individual basis as approved by the Director of Intelligence, Headquarters Strategic Air Command. The clearance evaluation standards for personnel as prescribed within the Talent Control System manual will be followed.
